

MD SHADIQUR RAHMAN

Oracle APEX Cloud Developer Certified Professional | Oracle APEX Developer | Oracle DBA | PL/SQL Developer

Dhaka, Bangladesh | shadiq1297@gmail.com | [linkedin.com/in/shadiqurrahman](https://www.linkedin.com/in/shadiqurrahman)

PROFESSIONAL SUMMARY

Oracle APEX Cloud Developer Certified Professional with 4+ years of experience in enterprise application development, Oracle database administration, and business process automation.

Experienced in designing and delivering Oracle APEX applications for HRM, Payroll, VAT Management, Tender Management, Project Management, Expense Tracking, and ERP solutions. Currently leading the development and maintenance of HRM and Payroll systems supporting more than 6,000 employees in one of Bangladesh's leading pharmaceutical organizations.

Strong expertise in Oracle APEX 20.x-23.x, Oracle Database 19c, SQL, PL/SQL, REST API integration, ORDS, OAuth/JWT authentication, query optimization, performance tuning, and database migration.

Hands-on experience with Linux server administration, Nginx configuration, SSL implementation, DNS management, Node.js deployment, and enterprise application support.

CORE SKILLS

Oracle Technologies: Oracle APEX 20.x-23.x, Oracle Database 19c, SQL, PL/SQL, ORDS, RESTful Services, Interactive Grids, Dynamic Actions, Query Optimization, Performance Tuning

Oracle DBA: EXP/IMP, Data Pump (EXPDP/IMPDP), Database Migration, User & Schema Management, Database Monitoring, Backup Administration, Performance Analysis

Integration & Security: REST API Integration, JSON Processing, OAuth Authentication, JWT Authentication, Third-Party System Integration

Web Technologies: JavaScript, jQuery, HTML5, CSS3, Vue.js, Node.js, MySQL

Infrastructure & Deployment: Linux Administration, Nginx Configuration, SSL Installation & Management, DNS Management, Port Forwarding, Application Deployment

PROFESSIONAL EXPERIENCE

Senior Executive - Information Technology

THE IBN SINA Pharmaceutical PLC | April 2024 - Present | Dhaka, Bangladesh

- Lead Developer for enterprise HRM and Payroll solutions serving **6,000+ employees**.
- Design, develop, and maintain Oracle APEX business applications for HRM, Payroll, VAT Management, Expense Tracking, and internal business operations.
- Develop complex SQL queries, PL/SQL packages, procedures, functions, and business logic.
- Integrate enterprise applications using REST APIs and ORDS with OAuth/JWT-based authentication.
- Perform Oracle database administration, migration, maintenance, monitoring, and performance optimization activities.
- Optimize reports and business-critical queries to improve performance and user experience.
- Collaborate with HR, Finance, and Management teams to automate business processes and support production operations.

Major Systems: HRM, Payroll, VAT Management, Expense Tracking, Internal Business Applications

Software Engineer

Jubosoft Information System | December 2022 - April 2024 | Dhaka, Bangladesh

- Led the migration and conversion of legacy **Oracle Forms 10g VAT Management System** into an Oracle APEX-based modern web application.
- Designed and implemented end-to-end VAT Management System using Oracle APEX, improving usability, scalability, and performance.
- Developed Oracle APEX enterprise applications including Tender Management, Project Management, HRM, and Payroll systems.
- Built and maintained complex PL/SQL packages, procedures, functions, database objects, and backend business logic.
- Created REST API integrations and automated business workflows for external and internal systems.
- Participated in application deployment, database migration, optimization, and production support activities.
- Worked closely with business users to gather requirements and deliver production-ready solutions.

Key Highlight: Successfully modernized legacy Oracle Forms 10g VAT Management system into Oracle APEX, enabling web-based access and improved system performance.

Junior Programmer

Ha-Meem Group | January 2022 - December 2022 | Tongi, Bangladesh

- Worked on Garments ERP solutions with focus on merchandising and business process automation.
- Developed and maintained Merchandising, Inquiry Management, and Quotation Management modules.
- Created SQL reports, database queries, and operational reports for business users.
- Supported ERP enhancements, daily production operations, and Oracle database development tasks.

PROJECT & IMPACT HIGHLIGHTS

- Developed and delivered **5+ production-grade Oracle APEX applications** along with multiple demo and proof-of-concept systems.
- Led enterprise HRM & Payroll system supporting **6,000+ employees** in a live production environment.
- Supported applications used by **100+ active end-users**, ensuring stable performance and business continuity.
- Managed and optimized Oracle Database environments of approximately **2-3 GB+ production data**, including query tuning and performance improvement.
- Successfully migrated legacy **Oracle Forms 10g VAT Management System** to Oracle APEX platform.
- Delivered business applications for HRM, Payroll, VAT Management, Tender Management, Project Management, and Expense Tracking.

KEY PROJECTS

- **Enterprise HRM & Payroll Platform:** Oracle APEX-based HRM and Payroll solution supporting 6,000+ employees with reporting, employee management, payroll processing, and workflow automation.
- **VAT Management System:** Automated VAT-related business processes and reporting; included Oracle Forms 10g to Oracle APEX migration.
- **Tender Management System:** Tender lifecycle management, approval workflow, document tracking, and reporting.
- **Project Management System:** Project tracking, task monitoring, progress reporting, and workflow automation.
- **Expense Tracking System:** Expense approval workflows, financial monitoring, and business reporting.

EDUCATION

Master of Arts (MA) in Hadith - Islamic Arabic University

Diploma in Database Design and Development - IsDB-BISEW IT Scholarship Programme | Completed: 2021

CERTIFICATIONS

- Oracle APEX Cloud Developer Certified Professional - Oracle Corporation | Issued: July 2023
- HackerRank SQL (Advanced)
- HackerRank JavaScript Certification

LANGUAGES

Bengali: Native

English: Professional Working Proficiency

TARGET ROLES

Oracle APEX Developer, Senior Oracle APEX Developer, Oracle Technical Consultant, Oracle Applications Developer, Oracle Database Developer, Oracle APEX Team Lead
